Model KFB-11**

Product Name: Multi-functional Electric Rice Cooker
Pot Capacity: 4L/5L
Power & Voltage: 500W, 220-240V, 50Hz
Display: Double orange LED display and lights
Inner Pot: Single side non-stick coating inner pot
Power Cord: 0.75m length PVC power cord with BS plug
Accessories for free: Steamer, Spoon, Ladle,
Measuring cup, Instruction manual

Electric Lunch Box
Model DFH – C26

Material : Stainless steel + Plastic

Control : Mechanical

Configuration : Stainless steel inner x1 +
Stainless steel Spoon x1 + Stainless steel fork
x1 + Power card x2 + Instructions x1 + Color box x1

Voltage : Home use(110/220V) + Car use(12V-24V)

Power : 60W

Color : Green, Pink, White

Capacity : 1.5L

Product size : 240x165x105mm

Electric Lunch Box
Model DFH – C25

Material: 304 Stainless steel + Plastic

Control: Mechanical

Configuration: 304 Stainless steel inner x1
+ Stainless steel Spoon x1 + Stainless steel fork x1
+ Power card x2 + Instructions x1 + Color box x1

Voltage: Home use(110/220V) + Car use(12V-24V)

Power: 60W

Color: Blue, Green, Grey

Capacity: 1.8L

Product size: 240x175x120mm
